

## P ▲ R ▲ D O X

Módulo ip

IP150+

### CARACTERISTICAS (MODULOS PARADOX)

|                  |             |
|------------------|-------------|
| CRA transmission | Yes         |
| Protocollo       | ATS5        |
| SSL              | Sí          |
| Event Log        | Ultimos 64  |
| Communication    | IP          |
| Mobile app       | Insite Gold |
| Versión          | 4.10        |

### CERTIFICATION

|           |         |
|-----------|---------|
| Grade     | 3       |
| Normative | EN50131 |

### GENERAL INFORMATION

|               |                          |
|---------------|--------------------------|
| Type          | Módulo IP                |
| Compatibility | Spectra / Magellan / EVO |
