

P ▲ R ▲ D O X

IP communication module with
MQTT technology

IP180-IP

COMMUNICATION

MQTT	Yes
DHCP	Si
Ethernet	Si (10Mbps / 100Mbps)
Comunicación con panel central	Via IPC10

POWER CONSUMPTION

Power mode	DC
Voltage	10V ~ 16.5V
Amperage	100mA

AMBIENT

Operating temperature	-20 °C ~ 50 °C
Use	Indoor

CERTIFICATION

Environmental class	II
---------------------	----

MATERIAL AND DIMENSIONS

Dimensions	109 x 27 x 22 mm
Net weight	40 g
Weight with packaging	60 h

GENERAL INFORMATION

Compatibility	Spectra+ / Magellan+ / EVO+
---------------	-----------------------------

CARACTERISTICAS (MODULOS PARADOX)

Firmware update	Via app (InField / BlueEye)
-----------------	-----------------------------
